Richard Farrell forwarded the email that you sent to him. You are correct that the subject matter of HB 544 was put into HB 2 and was passed into law last year. The Attorney General's Office issued a Technical Advisory on this matter back in July and you can access it here:

<https://www.doj.nh.gov/news/2021/20210721-anti-discrimination-laws.htm>

You may file a grievance directly with the Human Rights Commission and there is also a link to a submission form on the DOE website.

I hope that helps provide clarification. Please feel free to contact me with any additional questions as it pertains to this matter.

Best,

diana
